## “A Civics Lesson for Board Members”

Understanding the rules and legal requirements for voting, holding meetings and electing directors for a condominium association can be daunting. This seminar shall examine the core elements of how associations are governed, starting with the process of scheduling and holding an annual meeting. Other topics include: voting methods, quorum issues, the election and removal of officers and directors, board meetings and the use of committees. Learn practical pointers Boards can rely on to stay in compliance with the law and streamline management of the association.
